DRAYTON VALLEY, ALBERTA
WEDNESDAY, APRIL 2nd, 1969

Fred Kaarsemaker (R) winner of the Rotary speaking contest last Wednesday is shown here receiving the congratulations of the other contestants, Terry Pezzot (L) and Linda Frank. Committee chairman Mike Gormley is also shown (centre).

Fred Kaarsemaker Wins Rotary Trip to Ottawa

Three Grade 11 students from Frank Maddock High School took part in the Rotary Club's annual speaking contest to decide the "Adventure in Citizenship" winner at the club's regular supper meeting in the Cardium Room last Wednesday evening.

The three contestants were Terry Pezzot, Linda Frank and Fred Kaarsemaker selected by the high school staff on the basis of ability. They spoke on the subject of a bi-lingual nation with each expressing clearly their views on the subject.

Fred Kaarsemaker was the eventual selection by the panel of judges and wins an expense-free trip to Ottawa later this spring.

Rotarian Orest Heydey introduced the young speakers whose parents were also guests of the Rotary Club for the occasion. High School Principal Ritchie Woods spoke briefly as did Lions Club Past President Fred Kaarsemaker, Sr., who complimented the Rotary Club on the annual club project.

The Drayton Valley Rotary Club has taken part in the "Adventure in Citizenship" for the past ten years in co-operation with the sponsoring Ottawa Rotary Club.

The winner spends a week in Ottawa as the guest of the Ottawa Club along with other young people from across Canada. A large variety of activities are planned for the trip and include visits to many places of interest. Included are a visit to the Houses of Parliament and meeting the Prime Minister.

Canada's milk production has stabilized at 18 billion pounds a year.

$1,000. WINNER

Leading the list of lucky winners in Drayton Valley in recent days is Mrs. Claudette Winder who opened a pack of Peter Jackson cigarettes and found a certificate worth $1,000. Mrs. Winder has been phoned by the company verifying her win and is to be contacted by company representatives in the next few days.

Winners of the Queen ticket draw at the ice carnival held recently were W. Kennedy, transistor radio and Bob Huber, electric deep fryer.

Party Ends Ski Season

The Drayton Valley Ski Club held its first wind-up party of its kind on Saturday evening at the ski club house.

A crowd was present to bring the good skiing season to a close. The evening was spent sleigh-riding with a bountious lunch served during the evening.

This year in addition to two beginners hills being opened and another tow added, skiers enjoyed night skiing twice a week. Improvements to the ski club house were also made.

The club is sponsoring a raffle for a 12" portable television and plans have been made for the draw to be held Thursday, April 3rd at 5:00 p.m. at Al's Sports Shop in Drayton Valley.

Chamber Meeting

The Regular monthly meeting of the Chamber of Commerce will be held on Thursday, April 3rd at 12 noon in the Cardium Room.

Rotarian Howard Pickup (centre) presents Mr. and Mrs. Harry Zolmer with farewell gifts at a party in the Scout Hall Saturday evening.

Couple Feted at Farewell Party

Harry and Ethel Zolmer were honored at a farewell party in the Scout Hall by members of the Drayton Valley Rotary Club and friends in the community Saturday evening.

Mr. and Mrs. Zolmer are leaving this month for a vacation in Eastern Canada, returning to make make their home in Edmonton.

The Zolmers came to Drayton Valley shortly after the discovery of the Pembina Oilfield and in the ensuing years both have made substantial contributions to the community.

Rotarian Howard Pickup outlined the couple's community efforts and presented them with gifts of remembrance from those present.

Harry tops the Rotary Club with over thirteen years perfect attendance. He was recently awarded his 13 year pin.

Mr. Zolmer is a charter member of the club and also a charter member of the Chamber of Commerce. He served on the United Church Board for fourteen years, on Town Council for three terms, and as Chairman of the Library Board.

Mrs. Zolmer is a charter member of the Drayton Valley Women's Institute, one of the seven charter members of the United Church Women, a charter member of the Art Club and the Ceramics Club, a Rotary Ann, a member of the Hospital Auxiliary for a time and Secretary of the United Church for several years.

Dancing was enjoyed during the evening that ended with a delicious lunch.

"Town and Country" Feature April 11, 12

A big weekend of shopping features is planned by Drayton Valley business places on Friday and Saturday, April 11th and 12th.

"Town and Country Daze" will be a co-operative venture by local merchants to provide an outstanding weekend of shopping values.

The town-wide sale is being held in conjunction with an 'open house' at Big Country Machinery, Drayton Valley Massey-Ferguson dealers. The open house will feature a number of displays from the Sportex in Edmonton.

Lucky tickets will be available at all co-operating business places and on Saturday a draw will be made with the winner receiving a Massey-Ferguson riding lawn mower.

Tomahawk Girl Wins 4-H Speaking Contest

Members from eight clubs took part in the Stony Plain Council western region 4-H public speaking semi-finals held in the Keephills Hall on Friday, March 21st.

Top prize for the area was won by Kathy Goertz of the Tomahawk 4-H Beef Club. She received a trophy donated and presented by Mr. Dan Rosin.

The top five speakers will go on to the district finals at the Duffield School Auditorium on Saturday, April 12th. Other representatives of the west end will be Debbie Cole, White Rose Beef Club, Dianne Schiedeman, White Rose Beef Club, Linda Piskunowicz, Tomahawk Beef Club and Terry Bently, Sundance Garden Club. They received gifts donated and presented by Mr. Harry Schiedeman.

A large crowd attended the event to support their club members. The clubs represented were from Tomahawk, Entwistle, Evansburg, Sundance, Fallis and Keephills.

Judges for the event were Mr. Allen Olson, Mr. Syd Moore and Mr. Doug Laurie. Lunch was served to end the event by the White Rose Beef Club, hosts for the evening.

Crop Insurance Offered to Former I.D. 77 Farmers

Crop insurance will be available this year to farmers over the entire County of Parkland, according to the latest word from the Alberta Crop Insurance Corporation.

Originally, the insurance was not planned for that part of the county which was formerly Improvement District No. 77. However, following representation by the County Council, it was agreed to make the insurance available in all the County.

Crop insurance is being offered by two agents appointed by the Corporation who are making an effort to contact every farmer to explain the program prior to the April 30th deadline for applications. However, farmers interested in the insurance. who have not yet been contacted, should get in touch with their agent.

For that part of the County in Range 2 and eastward, the crop insurance agent is Ralph Livermore, Box 14, Glenevis - Phone 932-5448.

For the western part of the County (Range 3 and west) the agent is Gaston Jouan, Box 36, Tomahawk, Alberta - Phone 339-2342.

How Does Your Garden Grow?

By Green Thumbs

Most flowers like a medium type soil, by this I mean not heavy clay or light peat type, but a mixture of loam, that has some sand added is ideal, as this helps greatly when tiny seeds are trying to come up, and they do not have to fight their way through a layer of hard crusty clay, it is also easier to cultivate.

It is a good idea to set aside a part of your vegetable garden to start some of your flower seeds in, (this space can be used later on to transplant lettuce or cabbage). When the seedlings are big enough they can be planted exactly where you want them. Some of the more fragile delicate flowers are better sown where they are to bloom, then they do not get damaged when being moved, and do not suffer a set-back.

Most packages of seeds give instruction, read them carefully.

Plants that have been started indoors, should be carefully "hardened-off" (by exposing them gradually to the outside air for periods each day for about a week or ten days - not in strong sun at first) even when transplanted outside some protection should be given for a week or so. Plants from the nursery sometimes need protection too, from the sun and wind.

There is a paper cap that can be bought from most sources that supply your gardening needs, but tin cans do just as well in most cases. The cans will already have one end open, the other end should be partially cut open to form a flap, so that they may be closed when it's likely to freeze, and opened when it warms up.

If the weather becomes quite hot and dry during the planting out time, make sure you keep the tops open and water from the bottom, preferably in the evening. These cans form good protection and different sizes should be collected, to fit various sizes of plants. Once the plants look perky and do not droop, the protection can be removed.

A hint for those starting small fine seeds indoors. Sprinkle seeds over top of prepared soil mixture, take an old table fork and gently rake them into the soil, so that the seeds are buried about a quarter inch deep, pat down with your hand, and place a piece of cheese cloth over the box or container, water carefully through the cloth, preferably with a watering can with a spray type nozzle, in this way the water won't disturb the seeds. Remove the cloth when the plants begin to show through the soil, or else they will grow through the cloth and be very difficult to remove.

Next week I'll deal with varieties of vegetables, and later on the subjects of Rock Gardens, Window Boxes, Dahlias, Roses, Fertilizers, Lawns etc. Please send any enquiries or ideas to: Green Thumbs, Box 120, Drayton Valley.

KIERANS RATES KILLED POST OFFICE MAGAZINE--It's a case of "wry on the rocks," Comments Bill Forbes, editor of Canadian Printer & Publisher, reporting this "mortality note" in his current issue. He received a press release from the Post Office department's information and public relations section giving notice that the department's staff publication, The Postmark, had been forced to give up the ghost and cease publication. It couldn't afford to continue under the new increased postage rates.

Those taking part in the last of a series of "hunger lunches" at the curling rink are shown here during noon hour last Thursday. Sponsored by St. Anthony's C.W.L. the lunches raised funds for people in unfortunate circumstances. $71. was raised for which the C.W.L. extended its thanks.

EDITORIAL COMMENT

Going the Way of Rome?

A student of history could look around our modern civilization and see in it many parallels in the rise and fall of the Roman Empire. But you don't need to be a student of anything to see that there is something very, very wrong with the world today.

Justice appears to have vanished from our sick society -- petty sentences are awarded for law-breaking and even murder seems to be treated now in a rather indifferent manner. Riots, crime and other forms of disrespect for authority are commonplace. Youth demands recognition and gets away with rebellion in the name of freedom of expression. Moral values have decayed and drugs, booze, sex and sin have replaced the virtues of an earlier day.

In the first two Centuries A.D. the Romans established a model society. Justice, democratic government, culture, respect and dignity were available to all. The Roman Legions, highly-trained, well disciplined and ably-led, conquered the known world.

Then the erosion started. Romans began living in a fool's paradise forgetting their obligations in the democratic society and it wasn't long before leadership was in the hands of incompetents and the whole structure of the great civilization began to rot away. Orgies of cruelty replaced culture as the Romans wallowed in a slough of vice and self-indulgence.

The decay seeped through the far-flung armies that were soon in retreat. The cities, bridges, roadways and architectural triumphs of earlier Romans were left to the barbarian hordes sweeping out of the north. The whole empire was put to the sword and the ultimate sack of Rome ended the great civilization.

Will our western civilization end the same way? It could unless we find the leadership capable of restoring moral standards, a return to justice and respect for the democratic system and its obligations.

Natural Resources Too Valuable To Throw Away

Late, but probably better late than never, a new Canadian Society has arisen in defence of the wolf. Long maligned, shot, trapped and poisoned for real and imagined violations against man. The wolf has come through history as a source of fear simply by being a large predatory animal.

The wolf is often the victim of money grubbing by people more interested in lining their own pockets by eliminating competition for game and natural habitat than they are in preserving our wildlife heritage.

Our congratulations to the "Canadian Wolf Defenders". We hope their efforts will be successful in removing much of the ignorance and folk-lore surrounding predatory animals. If more Canadians were familiar with facts and less concerned with folksy stories about the crimes of birds of prey and the large predators we might have a chance of preserving some of our wildlife resources.

Invasion of natural environment by affluent sportsmen, industrialists and those bent on pushing the frontier back for agricultral purposes is too often accepted by Canadians. Before it's too late, and while there is yet some choice of wilderness left on the continent the rank and file of our country must speak out in protest against trading off our heritage to the highest bidder.

The wolf is a symbol of wilderness and freedom. His defence is a good start for Canadians who protest the violation of natural resources by those interested only in personal gain.

An understanding public is the potential power needed by the new society. Time is short and much has to be done to explain away the stories and myths surrounding predators whose place in nature is undisputed.

Legislature Report

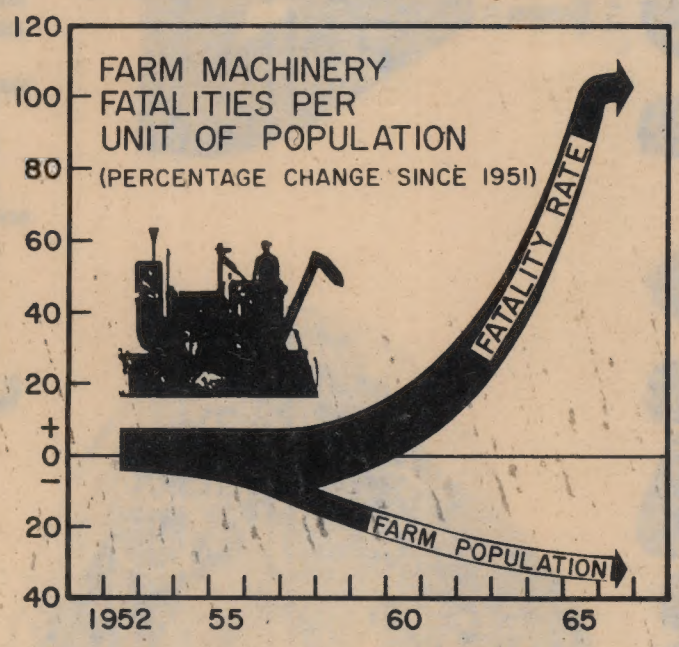
BY RALPH JESPERSEN, M.L.A.

The studying of the estimates of the various departments continued and to date approval of expenditures has been granted to only the Departments of Agriculture and Attorney General. Since the fiscal year ends March 31st, 1969, an interim supply bill was introduced so that the government can continue to pay the bills until complete approval of all the estimates are given by the Legislature.

There were two other items of real importance discussed this week and I will briefly enlarge on them. The report of the special legislative committee set up to study automobile insurance, vehicle inspection, driver education, etc. was debated and approval of the recommendations by this committee were given by the Legislature. During this Session bills will be introduced so that these recommendations can be implemented. The main recommendations of this committee were:

1) That the matter of automobile insurance in Alberta be further studied.
2) That the vehicle inspection program be proceeded with promptly throughout the province and with the least possible inconvenience to motorists.
3) That universal driver education be introduced progressively and promptly into the classroom as a credit course.
4) That the Department of Highways continue with proper updating the modern practises that are presently being followed in present and long range safe highway design policies.
5) That the Canadian Government amend the Criminal Code making a gaol sentence mandatory for a second or subsequent offence for driving while under suspension similar to what has been done for a second or subsequent offences for impaired driving.
6) That a computerized demerit system be introduced at the earliest possible time.

The announcement by Health Minister, Hon. Dr. Ross, that Alberta will enter the Federal Medicare scheme on July 1st, 1969 brought varied reaction. It became very evident that the Province would be forced into the Federal program since our people through federal taxation were contributing to a program that they would not be receiving any benefit from. In the tax sharing agreement with the federal government it would seem that the province would receive some $25 to $30 million dollars yearly. The total cost of the new plan for a full year will be $60 to $65 million. Under the Federal Medicare Plan every one in Alberta will be covered and to make up the difference between the total cost of the plan and the contribution received from the federal government premiums will be charged. Another very interesting feature will be that in this basic plan optometrists and the chiropractic service will be included. It is hoped that many of the options which we now have in the Alberta Health Plan will be available for an additional cost. The entire plan will be administered by a commission to be established through legislation.



Farm machinery fatalities in Canada rose by 30% between 1957 and 1966, while the farm population steadily declined. Thus the fatality rate per 100,000 of farm population more than doubled. About 78% of all farm machinery fatalities involved tractors, and about ½ of these were overturn accidents. A study for the Royal Commission on Farm Machinery says this sudden, sharp rise in fatal accidents with farm machinery "seems to have gone unheralded and apparently unnoticed in Canada, a fact that would seem to give little credit to safety associations, farmer organization, government departments, manufacturers, or to anyone else interested in the welfare of farm people in Canada.

The Tomahawk Curling Club held its annual banquet on Friday, March 21st, with a large crowd in attendance. Mr. Walter Rosnau, (as witty and humerous as ever), was the Master of Ceremonies. Mr. Richard Reich, President of the club, and Drawmaster Valerian Enjenski gave speaches and later Mr. Enjenski took pictures of the winners.

Beautiful trophies were presented to the team skipped by Ted Reich, (winners of the year), by the President, and Joe Jouan gave the runners-up, the Walter Medd team, their trophies. The Booby prize went to the Ray Patrick team. Games unable to be played last year, (owing to the weather), were finished off and last year's winners received their trophies also. First went to V. Enjenski team and second to the Walter Case team. The crying towels were given to the Henry Rahe team.

In the whist which followed, the prizes were: Ladies - Mrs. Evelyn Lukaniuk; travelling prize Mrs. Shirley Moroz; Booby, Mrs. Olive Jouan. Mens-Finley Shaw; travelling prize, Matt Runzer; Booby, Joe Jouan.

Congratulations are extended to the lucky Worden's, Jack and Marilyn, on the birth of their son Jack Earle.

Tomahawk people take note. The date of the hockey banquet has been changed to April 18th, from April 12th. Let's hope this date is final and agreeable to everyone.

The Tomahawk Lutheran Ladies Aid, held its regular meeting on March 24th at the home of Mrs. Hilda Zander. There were 13 ladies present and an apron and bake sale was decided upon. This, to take place in the Community Hall on May 10th at 1:00 p.m. Mrs. Evelyn Lukaniuk has been placed in charge of the Altar Cloths from now on.

Mrs. Mary Reich from Magnolia, donated a beautiful handmade quilt in the Sunbonnet pattern. This is to be displayed at the church in hopes of raising funds for church work. Donations may be made to either Mrs. Della Steinke, or Mrs. Evelyn Lukaniuk. Winner of the quilt will be announced on May 10th. A lovely thank you card was received from Mrs. Freda Welk, thanking everyone who remembered her in the hospital. She is now recovering at home. The ladies also decided to visit Senior Citizens and nursing homes in the surrounding district at intervals. The next meeting will be held on April 24th, at the home of Mrs. Alma Riech.

On March 26th, the Tomahawk Men's Hockey team played the Stony Plain Old Timers in the Stony Plain Arena. Score was 8 - 6 in favor of Tomahawk.

The Tomahawk Totems played their first final game, in the best out of a 5 series, and defeated the Elks on March 24th by a score of 6 - 1. Scorers for the Totems were as follows: Pat McKay, 3 goals; Gordon Reich, 2 goals; and Dale Schadeck, 1 goal. The lone scorer for the Elks was Mark Hutton.

Daffy-nition - A door is something the kids always get a bang out of.

With his team mates looking on, Gordon Reich, Captain of the Tomahawk Totems, accepts the Rotary Club Trophy from Rotarian Mike Gormley. The Totems won the Drayton Valley and District Bantam championship in a play-off series with Burrows Motors Seals.

No person shall burn on Mondays in the Residential Zone of the Town of Drayton Valley.

Piano Recital Held Sunday Afternoon

An enjoyable afternoon was held Sunday when parents and friends attended the piano recital of the music pupils of Mrs. A.E. Raven at the Scout Hall.

Mrs. Raven welcomed the guests present and introduced Master Brian Telford who acted as master of ceremonies for the first half of the program.

The program consisted of each pupil performing a solo interspersed with piano duets and a choral presentation by some of the students.

Miss Betty Hay was mistress of ceremonies for the second half.

Students taking part were Judy Schneider, Michaelle Shimbashi, Betty Hay, Terry Horne, Robin Shimbashi, Antoinette Krabbe, Claire Marie Telford, Diane McMahon, Carol Gill, Donald Armstrong, Joy Meraw, Dineen Tyler, Michael Shimbashi, Jari-Anne Horne, Gerald Krabbe, Murray Howatt, Carol Kruger, Alayne Tyler, Sharon Hay, Brian Telford.

Following the recital Michael Shimbashi, on behalf of the students, presented Mrs. Raven with a Chrysanthemum plant in token of her help in the past year, for which she sincerely thanked all for their thoughtfulness.

The annual meeting of the Magnolia Community Club was held in the hall on Monday, March 17th. Approximately 18 to 20 people attended. The new directors are: president, John Waddell, Jr.; secretary, Betty Strangway. The other members of the board of directors are August and Mary Reich, Joyce Manchester, and Glynne Roth. After a discussion, it was decided that a dance would be held on Friday, April 11th. Everyone is welcome to dance to the music of Al Roth and his sons. A director's meeting is to be held on the evening of March 24th at the home of Betty Strangway.

Folks will be pleased to know that the home of Shirley Ostershek, sister of Brenda Walker, has been repaired after extensive damage was done to it by a fire on February 5th. They soon will be able to move back into it. Mr. and Mrs. Harris will miss their little grandson, Eldon Ostershek, when he returns to the city to live with his parents.

An afternoon quilting party was held on Friday, March 21st, at the home of Dorothy McWillis. The ladies who spent the afternoon quilting were Mary Reich, Norma Williams, Mrs. R. Strangway, Mrs. Chris Christianson, Marie June, Ruby Brown, Isa Waddell, Alma Roth and Brenda Walker, in addition to the hostess. The ladies were working on a quilt, the cover of which has been embroidered by Leonard McWillis.

Mr. McWillis designed and executed a very realistic and tasteful design of leaping reindeer. The pattern was worked on twenty by twenty inch blocks of gingham, with the embroidery done in cross-stitch of colors contrasting to the various colors of gingham. Each of the twelve blocks was also ornamented with abstract scrolls in cross-stitch. Mr. McWillis had worked off and on making the very beautiful and unique quilt for one year. He will now send it to his sister, Mabel Vawter as a gift. We think he is much to be commended on his industry and patience as well as talent.

Walter and Mabel Campbell were among approximately 40 people who attended a surprize 25th wedding anniversary party for Gordon and Marge Campbell on March 22nd at their home.

Betty McDougall had a full house for the weekend, as Elizabeth with her three children arrived from Fort McMurrary by train on Friday, March 21st and the rest of the family came out from Edmonton. Liz and Sheila Debbie and Ray will stay for a few days.

Mr. and Mrs. N. R. Gylander are enjoying an extended visit in the United States.

Monday visitors at the home of Allan and Brenda Walker were Mrs. Harris of Entwistle, escorted by her grandson, Eldon Oster-

Larry and Ralph Johnson attended the Saturday matinee of the rodeo on March 29th with the Sundance 4-H Club.

Mr. and Mrs. R. Strangway, Dean and Betty Strangway with their three sons, Cecil and Marie June with Maxine and Laverne and Glynne Roth motored to Bon Accord to attend a family dinner at the home of Louie and Ethel Nielson and Wilma Rhinehart who is in from B. C.

Grant and Stella MacDougall of Mayerthorpe visited with their daughter, Lorraine and family with the Bob McCracken family on Sunday, March 23rd. We are pleased to hear that Lorraine is feeling somewhat better and hope that her health continues to improve.

Happy birthday to Morris Knudsen who was 7 on March 23rd. Morris is the son of Albert and Sophie Knudsen.

Betty Strangway has been proudly showing off her latest acquisition -- a 1966 red and white half ton truck. Betty's Ford will be very handy for her when the roads are in the usual springtime condition.

NOTES FOR NURSES

Sixteen nurses and certified nursing aides were present at the March 19th meeting at Drayton Valley Chapter of the A. A. R. N.

Mrs. Barbara Wheatly R. N. from St. Albert was a most interesting guest speaker as she was one of the six committee members who prepared the brief submitted by the Registered Nurses of Alberta on "Status of Women. It is interesting to note that Alberta nurses were the only nurses across Canada to submit a brief to this Canada Wide Royal Commission.

As many hospitals including ours in Drayton Valley would be "non-functional" without married female employees don't you think that we should do more than complain to one another about unjust income tax deductions and exemptions? Did you know that 2/3 of working nurses are married. We are being penalized by the come tax laws, because we as married women are not allowed more than $250 before it affects our husbands income tax and yet where would many services in the community, besides health services be if married women did not work? Have you written to your Member of Parliament yet?

Booklets of interest are "Laws of Interest to Women of Alberta" available from the Womens' Cultural and Information Bureau, Legislative Building, Edmonton. Also, "The Equal Pay Act" from Department of Labor, Government of Alberta.

We hope to see you all again at the next meeting on April 9th at 8 p.m. when there will be a business meeting as well as a guest speaker Dr. A. Voth. How did he get involved with a medical group going to Mexico? Where did they go and what did they accomplish? Let's find these answers and others on Wednesday.

D.B.S. Survey Shows Cattle Population Decline

The Canadian cattle and calf population was estimated at 11,475,000 head at December 1st, a decline of 3% from a year earlier according to a recent DBS survey. Numbers in the West were down 4% as all provinces recorded declines. The Eastern decline amounted to 1%, due entirely to a 2% reduction in Ontario.

Beef animals decreased in all categories. Beef cow numbers totalled 2,771,600 head, a 3% drop from a year earlier. Western beef cow numbers dropped 4% as Eastern numbers held constant. Approximately 82% of the beef cows are in the four western provinces. A drop of 10% was recorded in beef heifer numbers. Western beef heifer numbers were down 13% with the East recording a 4% decline.

Milk cows were estimated at 2,572,000 head, about 2% below the year earlier estimate. In the East, however, numbers remained unchanged largely due to a 2% increase in Quebec. Dairy heifer numbers in Canada increased by about half a percent

Total calf numbers remained almost unchanged at 3,441,700 head. A decline of 1% in the West was offset by a small gain in Eastern calf numbers.

One out of every six pilots trained in Canada since 1946 has been a member of the Royal Canadian Air Cadets.

ies 60 sq. ft. (F), 40 sq. Ft. (M). Infirmary, one @ 275 sq. ft.

Plus any other non-instructional areas as are deemed necessary to provide a functional educational unit and fall within the limitations set forth in the Regulations under the School Buildings Act.

Estimated Cost of Building -- The following estimate on the cost of the proposed Building was received from the County Architects:- "For the purpose of debenture borrowings we hereby tender our estimate of cost for the referred work based on the recognition of need given by the School Buildings Board March 5th, 1969. This area of instructional space is 21,085 sq. ft. The factor for arriving at total functional space on a 60:40 ratio is .66 or in this case 14,000 sq. ft. giving a total functional area of 35,085 sq. ft. In addition, walls and partitions are estimated to take approximately 8% of the total functional or 2,800 sq. ft. providing a total gross area of 37,885 sq. ft.

Our estimated costs are as follows: Estimated cost of building $625,000; Furniture and Equipment $40,000; Architecural and engineering fees $37,500; Landscaping, sidewalks, etc. $10,000. Total $712,500.

We note the maximum support of approved gross area by current regulations is $16.68 a sq. ft. or approximately $633,000 all inclusive.

Our estimates of the cost of building do not include a reduction of 4.5% for sales tax.

You may wish to modify furniture and equipment to some extent as the cost indicated represents an approximate $1.00 per square foot.

The landscaping estimate quoted above may vary considerably from your final costs."

Building Proposed School at Spruce Grove -- Moved that the building of the proposed school at Spruce Grove be done by contract. Carried.

Proposed Maintenance-All County Schools -- Moved that the proposal of Hilliker & Bishop on plant maintenance in the County Schools be tabled until after a supervisor is engaged. Carried.

Transfer of Lodgepole School District No. 80 -- Moved that the request of Lodgepole School District No. 80 be taken into the County of Parkland No. 31 be approved. Carried.

Co-Terminous Boundaries -- Moved that the School Committee recommend to the County Council that, when the Lodgepole Consolidated School District is taken into the County for school purposed, a proper application be made to make the County boundaries co-terminous with the school boundaries. Carried.

Inspection Report - Tomahawk School -- The following report on the Tomahawk school was received from the health Unit Inspector: "School cleanliness should be improved. Coal dust was noted in the basement hallways, and also on doors and walls in this area. Floors in the halls at the auditorium entrance and in the basement were found to be badly marked. Shelves in several of the rooms were dusty.

Redecorating of some of the walls and ceilings is required. Some of the walls are badly marked, notably the walls in the upstairs hallway and boys' toilet room at the north end of the school.

Drinking fountains should be placed in good operating condition and kept in clean condition. Pressure to the fountains should be increased.

The sewage disposal systems for both the school and teacherages seems to be operating satisfactorily with the exception that the flow of liquid through the girls downstairs toilet room floor drain and toilets should be checked for periodic restriction of flow."

Moved that a letter be written to the janitor of the Tomahawk School, with a copy to the principal, advising that all items mentioned in the health Unit Inspector's report must be remedied immediately and that the school again be inspected within 15 days with Mr. Zander to accompany the Health Unit Inspector. Carried.

School Accident - Seba Beach -- A letter was received in the office from Mrs. Frank Regula advising that her son was hurt in the Seba Beach School and that she received a bill from Oatway Clinic in the amount of $26.00 which she thought the County should pay. The Assistant Secretary advised that he referred this matter to the Insurance Company.

Moved that the action of the Assistant Secretary-Treasurer in referring Mrs. Frank Regula's request to the Insurance Company be approved. Carried.

Tuning of Pianos-Seba Beach and Duffield -- Moved that the Seba Beach and Duffield pianos be tuned and that a report be requested on the condition of the Duffield piano. Carried.

Quotations - Tuning of pianos --Moved that the piano tuner be requested to submit a quotation on tuning all the pianos in the County on a yearly basis. Carried.

Repair and Purchase of Equipment -- Moved that the Superintendent be requested to write up suggested policy on the repair and purchase of school equipment in the County. Carried.

Complaint Re: Busing -- A complaint was received about school bus service. It was alleged that the bus driver starts off with the bus before all the children are seated. The complaint also stated that the bus drives on an oil company road instead of the County road, which makes it necessary for the children to walk farther to the bus.

Moved that a letter be sent to the bus operator explaining the complaints received about driving of the school bus and that he be instructed to drive on Public right of ways instead of oil company roads.

Interview - Felix Knor -- Felix Knor was invited to the School Committee meeting to explain what action has been taken on the reports recently received from the Fire Commissioner's office. He advised that a good portion of this work has already been done. However, there are still some things to be done that will take some considerable time.

Moved that Mr. Felix Knor be requested to advise the secretary just as soon as all the recommendations contained in the Fire Commissioner's reports have been carried out. Carried.

Special Building Committee -- Moved that Mr. T.W. Johnson, Mr. Ivan Vowk and Mr. Henry Toews act as a committee to meet with officials from the County of Leduc to discuss the possibility of Leduc students attending school at Drayton Valley. Carried.

Leave of Absence-Mrs. Cora Brox -- Moved that Mrs. Cora Brox be given leave of absence without pay for the 1969-1970 school year. Carried.

Resignation-Mrs. Ruth Bohnec --Moved that Mrs. Ruth Bohnec's resignation from the teaching staff of the County of Parkland No. 31, effective June 30th be accepted. Carried.

Additional Facilities - Stony Plain -- A letter was received from Mr. F.P. Flanagan advising that probably 5 or 6 classrooms will be required in Stony Plain for the fall term.

Moved that Mr. F.P. Flanagan's letter be referred to the Building Committee for consideration. Carried.

Conference - Use of School Media -- Moved that Mr. W.G. Wilson be authorized to attend the conference on the use of School Media in Edmonton on March 19th and 20th and that registration fees of $25 on his behalf be paid. Carried.

Changing of Locks - Duffield -- Moved that the matter of changing locks at the Duffield school be referred to Mr. R. Lent for attention. Carried.

Leave of Absence - Glen Stillito -- Moved that Mr. Glen Stillito be given leave of absence with pay during the last 2 weeks in June to attend University, on the condition that he make up the time lost during the month of August. Carried.

Interview - Spruce Grove Delegation -- Six people from Spruce Grove came as a delegation from their Recreation Board to discuss the possibility of the Village making a contribution towards the building of the new proposed school in Spruce Grove on the condition that an agreement for joint use of facilities be drawn up. This matter was discussed at great length to determine all its implications.

Special Committee -- Moved that Mr. R.A. Bailey, Mr. L.N. Miller and Mr. Henry Toews be authorized to act as a committee with members of the Spruce Grove Recreation Board and also Village Council to determine the possibility of accepting a cash grant and entering into a working agreement for the joint use of the propsed school gymnasium in Spruce Grove. Carried.

Proposed Joint Agreement -- Moved that the School Committee agrees in principle with the proposal of the Village of Spruce Grove to expand the proposed school gymnasium in Spruce Grove with a cash grant from the Village on the condition that a workable agreement for joint use can be entered into. Carried.

EVANSBURG NEWS

A flurry of snow and much colder winds today, has reminded us that spring is not quite here, yet.

Several people from the district motored to Keephills last week with members from the 4-H to hear the boys and girls take part in a public speaking contest. Several people from the district also went to the annual rodeo in Edmonton last week.

The Hollysprings Community League held a whist drive at the community centre where five tables played. Winners were: Ladies' high, Mrs. Doris Feldberg; low, Marvin Shuster, who had to play on the ladies' side as there was a shortage of women. Men's high- Ted Stephans; low, Fred Hutchinson. The group has not planned another whist drive due to the road conditions.

The Kinette Club of this village wish to announce that due to the fact that they had to cancel their plans for a carnival and crowning of the carnival queen at the arena opening, they are now going to sponsor a dance on April 11th where the carnival queen will be crowned. This dance is to be held in the Legion Hall and everyone is welcome to see the young lady who will be chosen as carnvial queen.

The boys in the Cub Pack have been busy lately getting first aid instruction from Mr. Aspeslet. Several of the boys have earned their badges in this.

During the thawing spell, we saw our cheery town foreman, Mr. Senetza busily trying to keep culverts open so the streets wouldn't be flooded. With the amount of snow we had this past winter this seems to be quite a formidable task.

MF 405
COMBINE

A pull-type combine with self-propelled capacity?

Massey-Ferguson meets the challenge with the High-Performance MF 405!

If your harvesting needs are best served by a pull-type combine, go with the big Massey-Ferguson MF 405—it delivers performance usually found only in the large self-propelled models.

With the MF 405 you get such features as a whopping 6,240 square inches of separating area. Grain tank with 80-bushel capacity (or 100 bu. with tank extension). Gear box that can be operated at 540 or 1000 rpm. High speed (1½ bu. per second) unloading. And front beater option. These and dozens of other features—many of which are obtainable only on Massey-Ferguson combines—deliver the fastest, cleanest harvesting you can get in a pull-type machine.

See this outstanding MF 405 now—while there is still plenty of time for delivery before harvest.

Joanne Chenery Selected for Trip To Guide Camp in Switzerland

The Girl Guide Organization of Drayton Valley was thrilled to hear Joanne Chenery had been chosen to visit Switzerland. She, as a Girl Guide from Alberta, will meet and visit with Girl Guides from all over the world, at Our Chalet, International Girl Guide home in Adelboden, Switzerland. This Chalet was opened in 1932. It was the gift of Mrs. Helen Starrow, an outstanding leader of the Girl Scouts of the United States.

Joanne is a Drayton Valley Ranger. She is working for her Gold Cord, top honour obtainable in Girl Guides.

We have seen Joanne helping at the Municipal Library, the Drayton Valley Swimming Pool and with the children in the Drayton Valley Hospital. She is also Treasurer for the Junior High School Student Council. She attends United Church.

Joanne was an honour student in Grade 8 last year. Joanne has three older brothers and one younger brother. Her father works for J & A Trucking. The trip is scheduled for July 6th to August 9th.

Part of the expenses of this trip is made up by the Friendship Fund, a fund which every Guide and Brownie in the world donates

JOANNE CHENERY

to every Thinking Day, February 22nd, birthday of the founders, Lord and Lady Baden Powell.

She still needs around $500 to pay her share of the trip. The Girl Guide Association will be pleased to receive donations from any person or organization withing to give. Money should be given to Sister Brule, Captain Drayton Valley Rangers.

Every year this farmer complained about the weather and crops. It was too wet, or too dry. or too many weeds, or there was no market or something. Never anything good.

Then a year came when good crops were harvested. Prices went soaring, and bank accounts were bulging.

"Pretty good year, you'll have to admit," a neighbor said.

"Middling," the farmer allowed, "but terribly hard on the soil."

WEEKLY VIEWPOINT

A series of brief meditations for the readers of The Western Review prepared by the clergy of the Drayton Valley Ministerial Association.

WERE YOU THERE?

BY REV. DALE MOHR

Centuries ago, very early one morning, two men were doing a hurry-up job on a special project. They were preparing for an execution. They split a tree and hacked away at the halves of the trunk. As they chipped off chunks of splintery wood, on man said, "Who is this for? How big does it have to be?" and the older man replied, "Light enough for a man to carry and strong enough to carry a man -- that's the rule for doing this sort of work." They were making a cross for a crucifixtion. After they finished their cross, they delivered it to the executioner, a Roman centurian in Jerusalem. He was going to kill a man condemned to death by the highest Jewish and Roman courts, a man who was some sort of prophet, it was said.

For cross-makers this execution probably meant very little. A criminal hanging on one of their splintery pieces of handiwork was a common sight to them.

But is this all that was happening there? Was it only a common criminal who was spiked to that cross?

No, a thousand times no, you know that this was not just an execution. It was something terribly important happening between God and men. For the "criminal" was Jesus Christ, the innocent Son of God and Son of Man, and He was hanging there for a definite purpose. It was all part of a plan - God's plan - for our good. Jesus was nailed and murdered for us, for His executioners, His cross-makers.

Jesus Christ was suffering in our place, for our sickness of sin. We were in His hearts that day. The weight that pulled down on those nails were not only the weight of His body. It was the pounding pressure of our sin and death which He was bearing and carrying away for us. The hot fever which ran through His dying body was caused by the physical pain. but it was also the result of our sin. It was our death He was dying.

In a certain South American dialect "God loves us" is translated: "God hurts in His heart for us". Indeed God loves us so much that He "broke His heart for us" as Jesus sacrificed Himself on the cross.

Christians have always seen the events of Good Friday as marking a definite victory for all men. The guilt ridden woman, the indifferent man, the teenager struggling with temptation - all can be made free. He has paid the price and reconciled you to the Father. Thanks be to God that you were there - front row center - when they crucified the Lord.

Fashion Show Held at Bay

Residents of town and country were treated to a showing of this season's styles at a fashion show held last Friday evening and Saturday afternoon at the Bay store, in Drayton Valley.

Smartly styled dresses, coats, slack suits and casual wear were shown with emphasis on the easy-wear, easily cleaned ensembles made from Fortrell.

Mrs. Doris Kerr was coordinator and commentator for the showings with Misses Louise Tetreau, Edna Bullock, Cindy Vowk, Terry Cable, Frances Meraw, and Jean Simon modeling.

D. V. Highlights

BY MRS. EDITH DEBY

When Mr. Gary Cooper, of Grande Prairie, won the Grand Championship for Stallions in the Quarter Horse Class at the Edmonton Gardens last week with his entry, Count Kilobar, the fact was of interest here. Count Kilobar was formerly owned by Cliff Whitelock, of Violet Grove, and was sold to Mr. Cooper last autumn.

Sympathy is extended to Mr. Stan Pajak whose father passed away at the first of the week.

Mrs. Lindsey Johnson entertained the Art Club on Friday evening in honour of Mrs. Harry Zolmer. Mrs. Zolmer has been very active in the Art Club and will be missed by its other members. Mrs. Zolmer was presented with a painting done by Mrs. Isobelle Hoyland as a parting gift.

Winners at whist at Dunington Hall on Saturday evening were: High-Mr. and Mrs. Strauss; Low-Mr. and Mrs. Roman Vowk.

On April 25th Miss M. C. MacKenzie and Mrs. Kenneth MacKenzie will leave by air for Britain. After a few days in London they will proceed north to the highlands of Scotland where Miss MacKenzie's Scottish relatives live at Loch Broom in Rosshire. The ladies hope to get in as much sight-seeing as possible in the four weeks available to them. Happy landings, folks.

Haven't had a chance to talk with Art Munro since his return from his visit to Ontario. Understand some of his Ontario friends were in the process of making maple sugar and maple syrup. Did we detect just a faint note of nostalgia there, Art?

Mr. Vern Rank arrived in Drayton Valley on Monday morning to assist Mr. Bert Telford at Northwestern Utilities. When we met him on Monday afternoon he was busy readying meters. He will be moving his wife and five children to Drayton Valley just as soon as suitable accommodation can be found.

KEEPHILLS NEWS

Several from this area attended the rodeo in Edmonton last Tuesday.

Roy Ramond had a new well drilled at his home here last week. Gerald McGinn brought his outfit in here on Monday noon and shortly after noon they were preparing to leave.

Alma White spend a few days in the Stony Plain Hospital and Chrystal and Jimmie are staying with Grandpa and Grandma Raymond.

There have been several new born calves lost in this area due to a Vitamin A deficiency.

There was a bridal shower held at Ida Wagner's on Sunday afternoon for Rosemarie Wagner who will be married in early April.

Mr. and Mrs. Brian Engelhardt are the proud parents of a baby girl born at the Stony Plain hospital on Sunday, March 24th.

The Lesher and Bacon children will be visitors of Popcorn Playhouse on April 1st.

Doug and Sharon Moger moved into their new home in the Highvale area last week.

ENTWISTLE NEWS

Mrs. Rosemary is in the Drayton Valley Hospital and last reports are that she is steadily improving. We hope that she will soon be home with her family and friends.

Mr. and Mrs. John Oliver and Harold spent Sunday, March 23rd with Mrs. Mary Clough, Caren and Joy in Edmonton.

The Entwistle School is having lockers installed to accomodate at least the three higher grades.

Winner of the 25% discount draw of the week was Dean Strangway for the week of March 17th to 22nd.

Remember the Entwistle Elks bingo on Friday, April 11th. Jackpot $120.

MR. GEORGE MARTIN

Honored on 80th Birthday

On Sunday, March 23rd Mr. George Martin celebrated his 80th birthday at the home of his daughter, Mrs. Harry Campbell. All of his sons and daughters with the exception of Mrs. J. Shaw of Cloverdale, B.C. were present for the occasion. Altogether there were nearly forty family members on hand as well as a few friends. After the guest of honor was presented with his gifts, a lovely turkey dinner was enjoyed by all.

Permit Issued For New Motel

A building permit has been issued for the construction of a 20-unit motel immediately west of the Tastee Freez on 50th Avenue.

Construction will start before the end of this month on the motel to be known as The Matador. Of block construction the two-story motel will contain two executive suites, four kitchenettes and living quarters for the manager.

Fish Fertilizing is Finished

Hundreds of years ago the Indians buried a fish in each hill of corn. That's how they fertilized their crops.

Today it would take a lot of fish to fertilize Canada's vast farmland. And you'd probably smell the Prairie wheatfields in Ontario.

But thanks to the marvels of natural gas and petrochemistry, fertilizing is faster, easier and much more efficient today.

The first commercial fertilizer sold on a large scale was natural nitrate mined in Chile. For many years Chile retained a virtual monopoly on the world's supply of nitrogen which is also needed for explosives.

Early in the century, a Scandinavian process for "fixing" synthetic nitrogen was developed. Later the Germans worked out a cheaper process for combining air and hydrogen to make ammonia from which other nitrogenous chemicals could be produced.

North America got into the synthetic nitrate business in the 1930's. Through research and experiment it was found that hydrogen could be taken from natural gas and combined with nitrogen from the air to make ammonia and its "relatives" economically.

Although the production of fertilizer is one of the major agricultural jobs for natural gas, it is also the most versatile hired hand on the farm.

From Vancouver to Montreal, natural gas-fired pumps keep millions of gallons of water flowing for irrigation and freshly mowed hay and alfalfa are processed in gas-fired equipment to provide winter forage for livestock.

Gas dries Canada's grain so that it may be stored without fermenting. Hybrid seed corn, wheat and dozens of other crops are heat-treated by gas in similar ways to prepare them for storage.

Gas has maternal instincts too.

Tiny chicks, piglets and other barnyard young are mothered in gas-heated brooders, barns and other structures under controlled temperature.

In these and hundreds of other ways, natural gas helps the farmer achieve unequalled productivity — and Canadians to live better.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending March 29, 1969, provided by the Livestock Division, Canada Department of Agriculture.

RECEIPTS	CATTLE&CALVES	CATTLE	CALVES	HOGS	SHEEP
This Week (est.)	5800	4800	1000	1600	210
Last Week	4687	3590	1097	1740	384
Same Week 1968	5126	4093	1033	2027	214

SUMMARY: Trading was active to strong on offerings of mainly replacement cattle and calves with prices remaining steady to strong on most classes and grades.

Slaughter Cattle - The butcher classes offered were of mixed quality, slaughter steers were fully steady to stronger by mid week, making price gains of fifty cents or more with a small package of choice steers closing at 28.90. Slaughter heifers were fully steady for the week quality considered. A few choice lighter weights were closing to 26.60 with the odd single higher. Good butcher cows were trading somewhat unevenly but generally steady for the week. Medium cows, canners and cutters met with some resistance towards weeks end and were moving generally 50¢ lower. Good bulls were trading at firm prices. Good to choice veal and butcher calves were fully steady.

Replacements - All classes of replacement cattle and calves continued to sell strongly to a brisk demand. Yearling feeder steers and stock steer calves were firm with some sales to 29.50. There was a ready demand for stock and bred cows as was reflected in the special sale held last Friday afternoon. Prices ranged from $167.50 to $300 per head for 388 cows sold, at an average price of $241 per head.

Last weeks shipments off the Edmonton yards. East 468 feeders West 430 slaughter. Southern Alberta 266 feeders.

ELKS CAPTURE
PEEWEE TITLE

The Drayton Valley Elks came through with a 5-2 victory over the Drayton Valley Lions last Friday night to take their best of three games final series in two straight and take the Elks Trophy emblematic of the Community Pee Wee Hockey championship. The Elks had won the first game of the series 4-3 in a bitterly contested overtime struggle on Wednesday evening. The Elks advanced to the final round against the Lions by virtue of their two game total point victory over the D. V. Rotary team. The Lions eliminated the Tomahawk Rockets in another two game total points semi-final round.

The four team community Pee Wee League had a splendid season, very successful and satisfying in every sense of the word. A great deal of hockey was played from mid-November to March 28th, and we saw some very keen competition in a very well balanced league. Tomahawk got off to a slow start but finished the race in good style and pressed the Lions to the limit in the very keenly contested semi-final series.

At this time a word of appreciation is due to the team sponsors in this league, the D.V. Lions Club, the D.V. Rotary Club, the B.P.O. Elks Lodge and the Community of Tomahawk. Also a very sincere vote of thanks goes out to the coaches who invested a tremendous amount of time and effort into the moulding and development of the four teams involved; Russ Simpson and Frank Novosel who coached the Lions, John Tyler, Ian McLean and Hill Innis who directed the efforts of the Rotarians, Ross McLeod and Ron Mattoon who led the Elks and Ted Duckett and Bill Dunbar who were behind the Tomahawk Rockets bench.

TOMAHAWK TAKES
ROTARY TROPHY

The Tomahawk Totems defeated the Burrows Motors Seals in three straight games to take the best of five games final series and win the championship in the Drayton Valley and District Bantam Hockey League. The Totems won the title and the Rotary Trophy for the second year in a row. Tomahawk wound up the series with a 9 - 1 victory last Saturday afternoon at the Centennial Civic Centre after winning the opener 6 - 1 and the second game of the series 11 - 5.

Tomahawk got a bye into the final series by virtue of their first place finish in league. The Seals defeated L.B. Motors Tigers in a best of three semi-final series to qualify for the finals.

At this time we wish to thank L.B. Motors Ltd., and Burrows Motors Ltd., as well as the Community of Tomahawk for the sponsorship of the three teams in this league. A vote of thanks also goes out to the coaches, Barry Richer of the Seals, Chris Thauberger of the Tigers and Ted Reich of the Totems for very well done jobs. A thank you to Tom Hutton for his very well done job as commissioner as well as for his frequent coaching chores.

FLINT WINS MITE
CHAMPIONSHIP

The Drayton Valley Community Mite Hockey League closed out a very successful hockey season last Wednesday evening at the Centennial Civic Centre. The final games of a round robin post schedule series were played with Flint Engineering winning the series and the community championship for the 1968-69 season. Hi-West, Swanee's, A. M. Plumbing and J & A Trucking finished the series in that order behind the Flint team.

The Flint squad won four straight games to capture the final series and the new Mac Calder Construction Co. Trophy which was presented for the first time this year. The trophy will go to the Mite championship team each year from now on.

The Mites had a great hockey season, a long season with each team playing twenty two games in the regular season schedule plus the four games for each squad in the final series. On an average the games were very well attended, in fact, attendance at Mite games was superior to that of any other level of our Minor Hockey program. Interest at the player level remained high until the end of the season with a very high percentage of players on each and every team turning our for all games.

At this time a vote of sincere appreciation is in order for everyone who made such a successful Mite hockey season possible. First of all the sponsors, Swanee's Well Servicing Ltd., A.M. Plumbing and Heating Ltd., Flint Engineering and Construction Ltd., Hi-West Well Servicing Ltd., and J & A Trucking Ltd., have made such a program possible. Then we have the fifteen men who spend the countless hours coaching the five teams and teaching the fundamentals of hockey to each one of the hundred odd Mite hockey players. These men are, coaching Swanee Swanee's, Hill Innis, Bill Des-Brisay, and Gary Haack; with J & A Trucking, Cliff Erickson, Barry Harrison and Ray Manning; tutoring Hi-West, Bob Boscher, Gordon Dick and Bert Telford; leading A.M. Plumbing, Keith Mundel, Jim Crough and Ken Machan; and in charge of Flint Engineering were Bert Demers, Art Munro and Bob Meaver. To one and all a sincere thanks for a job very well done. A very hearty vote of thanks to Bert Telford who served as Mite Commissioner this past season and did a very fine job.

APPRECIATION FOR
OFFICIALS TEAM

The 1968-69 Minor season is over in Drayton Valley and it must be classified as being very successful in every phase of the operation. At the close of a fine season such as this, let us not forget our "Forgotten Men", the men who worked so hard and who contributed so much to the success of our Pee-Wee, Bantam and Midget Programs, our officials, the men who worked some 250 hockey games throughout the season.

A very sincere vote of appreciation is extended to the members of the Drayton Valley Minor Hockey Referees Association, Charley Davies, Referee in Chief, John Poloway, Elmer Madsen, Reg Samis, Alfred Lepp, Gordon Hay, Lyle McGinn, Pat Kane and Orest Heydey, from the Drayton Valley Recreation Board and the Drayton Valley Athletic Association a vote of thanks to those gentlemen for doing a very difficult job most efficiently throughout the entire 1968-69 hockey season.

GROUP ESTABLISHES CONSTITUTION

On March 17th, the monthly meeting of the Christian Social Action Group was held. A constitution was drawn up and it was decided to have a central clothing depot for needy people and families who have lost their belongings by fire.

This group wishes to thank Mrs. Doris Reid and the Hospital Auxiliary for the donation of a large variety of clothing for the clothing depot.

This depot is being made possible by the co-operation of the various churches of Drayton Valley and the Welfare Department.

The volunteers for the 'Home Visiting Program' met on March 27th to discuss procedures.

HEALTH UNIT NOTES

The Four-Year-Old

This could be called the age of finding things out. "Why" and "How" pop up in every other sentence.

The four-year-old is a "doer" too. He can run, jump and climb with ease, likes to play with other children and wants to hear his favorite story over and over again without a single change in detail.

Just as he has developed the ability to dress himself, he may go back to wanting to be dressed again. He hasn't, he thinks, time to manage all the routines of life and pursue his new interests and abilities.

Our four-year-old is highly contradictory in his action. The following is a list of a few of the contradictory aspects of his nature: his initiative-high; his ability to follow through-low; his feelings - high; his controls-low; his ambitions-high; his ability to achieve them-low; his social interest-high; his social manner-low; his desire to grow bigger and better-high; his display of this ability-low; his independent feeling-high; his ability to get along with others-low.

Freedom for growth at this stage is crucial for the whole future of his personality development.

The Town of Drayton Valley invites Tender Bids for the purchase of the building located on the north east corner of lot G Block 4 in plan no. 2217NY and known as "The Old Town Office Building".

The successful Tenderer will be required to remove the building on or before the thirty-first day of July 1969.

Every tender must be accompanied by a certified cheque made payable to the Town of Drayton Valley in the amount of five (5) percent of the bid.

All tenders to be sealed and marked "Building Tender" on left hand low corner of envelope.

Tenders to be in hands of the Secretary-Treasurer on or before five o'clock in the afternoon of the 30th day of April 1969.

The lowest or any tender not necessarily accepted.

Town of Drayton Valley, March 31, 1969

W. G. JOHANNESON, Secretary-Treasurer.

LIBRARY NEWS

New books are arriving at the library every week with something for everyone. Among the titles for young readers are: "Favourite Fairy Tales Told In Japan". "Babar Loses His Crown" "A Kiss for Little Bear", "Freddy and the Ignoramus" and several others.

For juveniles interesting titles include: "Magic Comedy - a book of tricks, skits and clowning", "Mystery of Island Keep", "Gordie Howe Number 9", "Summer of Decision" and the "Young Medics". The last two are listed as romance.

Adults will be amused by Eric Nicol's account of his play's disastrous appearance on Broadway as he tells it in "A Scar is Born". "Song of the Sirens" by Ernest Gann is thought by some to be the author's most enthralling work. If you like boats - all kinds of boats - and travel - you will want to read this book. Caiden's book "Four Came Back" is a chilling tale of adventure in outer space. John Hay is a new writer who promises to make a reputation for himself with his first book "The Invasion". The story is laid in Australia and rather reminds one of Neville Shute's book "On the Beach".

You are reminded that the library will be closed on Good Friday. During Easter week, afternoon and evening hours will be as usual.

BURTONSVILLE

We are sorry to hear that some of our friends are spending these early warm spring days in the hospital. Mrs. Eckmond Hansen is in the University Hospital and Mrs. Bob Lahman of Spruce Grove has entered the General Hospital for an operation. Lil Bailey's mother, Mrs. Mac Farland, of Wainwright is in Edmonton taking tests at the clinic. We wish all these ladies a speedy recovery.

In spite of the slush and muddy side roads this area had a pleasand weekend of visitors. Clayton Greanya and wife Ida, son Leroy and nephew Roy Greanya all of Edmonton visited Eldon and Marge and family. Mr. and Mrs. Axel Homme were pleased to have Mrs. Homme's brother, Paul Walker of Edson, and Paul's brother-in-law Kenneth Greanya of Hinton to spend Saturday night with them.

Mary and David Tattersall enjoyed a pleasant Sunday afternoon when Mary's sister Nadola and her husband Woodrow Combs of Devon paid them a surprise visit.

Rev. J.D. Kennedy was happy to have his two sons Allister and Eldon of Edmonton, visiting him Sunday afternoon.

Larry and Noel Henkel and children of Edmonton visited Cecil and June Homme and family on Sunday afternoon. Larry brought a couple of ski-doos and all had a good time.

The snow is melting off the hill side, leaving places for the lambs to skip and jump. A pleasand sight to behold.

Fashion Show At High School

All plans have been finalized and tonight (Wednesday) the Frank Maddock High School Auditorium will be ready for a fashion show for "Young Moderns" - the young at heart - from youngsters' to mens' and womens' ensembles.

The theme is "casual wear" and models will be showing what is "in" for this summer's vogue. Over thirty ensembles will be shown from the Macleods Store Clothing Department, Drayton Valley.

For the occasion hair styles will be by Dutch's Beauty Salon and the decorations will be enhanced by flowers from Merle.

Don't forget - 8:00 p.m. tonight (Wednesday) in the F.M.H.S. Auditorium. A lunch will be served to complete the evening's activities and the proceeds from the evening will go to the F.M.H.S. Students' Union. Come where the action is.

How are your television viewing habits?

How many hours a week do you spend in front of the boob tube?

The effects of television on children's behaviour was the subject of a presentation made by Mrs. Dianne Kieren. She's a lecturer at the University of Alberta and spoke to a seminar sponsored by the Alberta Home Economics Association.

Average number of hours view time is 20 hours per week. Something has to give - time spent for sleep, outdoor play, creative play, homework and family relationships usually suffers.

Many children do little reading and people have voiced concern that the coming generation will not only be incapable of expressing themselves in writing but may not be able to converse intelligently, either.

Teachers tell me they can tell what programs the kids watched by how tired they are in school. Some have seen programs up to 10:00 p.m.

Families spend less and less time together. Even watching television may not be a family affair since children have their programs and adults theirs - often viewed on different screens in different rooms.

There are the problems of passivity - watching instead of doing, to say nothing of the other concerns in the amount of violence seen along with programs that may be too old for young children.

With careful supervision, television can provide entertainment as well as broadening peoples' horizons and giving insight into areas they would otherwise never experience. The launching of the Apollos is a good example.

But, do examine what you watch. Sometimes you'd be better to turn the thing off and so some of the things you never have time to do.

And if you're using the machine to babysit, you better take a look at the situation.

Today's teen-age boy lives by his own stern code: Brush after every meal and see your barber twice a year.

Sub District F.U.A. Meeting Planned Here

A meeting of the F.U.A. Sub District will be held in the Elks Hall in Drayton Valley on Saturday, April 5th.

Important farm issues will be dealt with at the meeting and a good turnout is urgently requested. A guest speaker will discuss general farm topics.

A free lunch will be served and a door prize awarded to some lucky person during the day.

A Canada Post Office 6¢ stamp to commenorate the 50th Anniversary of the International Labour Organization, scheduled for release on May 21st, 1969, will have a unique format which make makes it useable in any position, the Post Office Department announced recently.

BERRYMOOR NEWS

Get well wishes are extended to Mrs. Ruth Berry who is a patient in an Edmonton hospital.

The Three B's Club of Berrymoor held their March meeting at the home of Mrs. Ann Van Ember on Saturday, March 29th. This occasion was the 31st anniversary of the founding of the club. Mrs. Susan Roberts baked a birthday cake and it was enjoyed by everyone. Also, at this meeting, the draw was made for an Easter hamper that the club was raffling. The lucky winner was Mrs. Hattie Barrett of Breton.

Sincere congratulations to Mr. Edgar Fewster who celebrated his 81st birthday on March 28th. Mr. and Mrs. George Martin were guests at the Fewster home and helped Mr. Fewster to celebrate his birthday and to share a birthday cake with him that Mrs. Cropley had made in his honor.

We are happy to report that Harry Campbell is home again after having been in an Edmonton hospital to have a bone chip removed from his elbow.

Mr. and Mrs. Ira Haight were in Edmonton on Sunday to visit their son, Dennis, who is in Glenrose Hospital.

Pat Gavigan was a visitor in the community last week.

Mrs. L. Malin, Heather and Jack of Buck Creek were visitors at the home of Mr. and Mrs. Donald Martin on Sunday evening.

Mrs. Hattie Barrett of Breton had unexpected company on Saturday evening when some folks from Berrymoor arrived to present her with the Easter hamper that she had won that day on a raffle draw. She hadn't heard that she was the lucky ticket holder and was very pleasantly surprised to learn of her good fortune.

Mrs. Olive Thatcher spent a couple of days in hospital last week but is home again and feeling better.

Brenda Lietz was also in hospital for a day or so.

We understand that Earl Lawson is employed by Cascade Drilling Co. and is presently at Sundre, Alberta.

The auction sale for Mrs. M. Whittaker which was held on Saturday, March 22nd was very well attended.

Mrs. Gloria Bryant was hostess for a Tupperware party on the evening of March 20th. Nine ladies were present and an enjoyable evening was spent. The demonstrator was Mrs. Gladys Paul of Thorsby.

On March 17th, Mr. and Mrs. David Lughlin attended a funeral in Camrose for a relative of David's. We extend our sincere sympathy to the Laughlin family.

Mr. and Mrs. Jerry Jacobsen and family of Edmonton spent the weekend with relatives in Carnwood and Berrymoor. On Sunday they took part in the 80th birthday celebration of Mrs. Jacobsen's father, Mr. George Martin of Berrymoor.

Mr. and Mrs. Ralph Davidson and family of St. Albert and Mrs. Beatrice Cropley visited friends and relatives on Sunday.

Dwayne Thorsen had his mother, sister Carol and three younger brothers from Innisfail visiting with him over the weekend.

Entwistle 4-H Clothing Club Meet

The Entwistle Clothing 4-H Club has held a total of nine meetings during this club year.

After Christmas the weather was extremely cold, so some of our meetings were cancelled, but since the break in the weather we have been busy catching up on our sewing, and various club activities, such as a very successful rally in Evansburg on February 28th where 11 clubs entered.

The Entwistle 4-H girls were quite fortunate in winning this year's trophy. Our skit was written by our president, Dawn Brown. We all enjoyed practising and presenting the skit.

We were sorry that Mrs. Willoughby resigned as a leader in February, however, Mrs. Marion Nelson and Mrs. Phil Brown are carrying on the various duties of helping the girls.

Our last exciting time together was a trip to bowl in Edmonton at Scona Bowl. There was about 215 girls and boys. From the 10 girls who went in, five of our members were lucky to be on the various teams that won trophies. Mary Ekroth was on the first prize winning team. Debbie Nelson and Beverly Cameron were on the third winning team, Cora Terpster on the fourth, and Sonja Ulvestad on the eighth.

Meeting Discusses Annual Fair

An interesting discussion of ways to improve the annual agricultural fair was a highlight of the regular monthly meeting of the Wildwood and District Agriculture Society held at the home of Mrs. W. Kalinowski on Wednesday, March 21st.

The society is enquiring about installing electricity to the grounds as well as levelling and other improvements. A midway for the fair is also being investigated.

It was also decided that no exhibits would be allowed to be removed from the hall before 7:30 p.m.

The society plans a bingo on April 18th to raise funds.

The next meeting was set for the home of Mr. and Mrs. M. Bruner of Evansburg on Wednesday, April 9th.

Wins Voucher

Mrs. Ron Klippert of Drayton Valley was the lucky winner of a $100 voucher toward the purchase of a major appliance in a draw made at Macleod's Store Saturday afternoon.

Another winner was Mrs. O. Moscaluk of Drayton Valley who won a piece of luggage in the same contest at Macleods.

ECONOMIC READJUSTMENTS FACING ALBERTA FARMERS

Are farmers fully informed on the recent amendments made to the Farm Credit Act that broadens the scope of the Corporation's loaning activities? Mr. Gordon Beagle the resident Credit Advisor at Wetaskiwin believes that there are still a large number of farmers who are eligible and could use long-term mortgage loans who are not aware of the credit facilities available to them from this source.

Mr. Beagle cites some relevant statistics which strongly support this conclusion. Though the size of farms has increased more than 25% since 1951, about 50% of the farms in Alberta are still below economic size when measured either by acreage or dollars invested. Approximately 7% of the farmers receive 40% of gross farm sales, while 40% received only 8% of these sales.

Productivity per farm has risen significantly, related to farm size. Efficiency, technological advancement and improved management are the contributing factors. Today one farmer can supply enough food for 40 people, compared to 15 in 1950.

The percent of the consumer's dollar returned to the producer varies from one product to another. An item such as beef, where little change in form is made, the farmer may receive as much as 65% of the consumer's dollar. With wheat, he receives only about 20%. On the average, the farmer received around 40% to 50% of the consumer's food dollar.

Projections by economists and research scientists are of particular interest to farmers planning expansion, or reorganization of their farm business. Based on 1960 statistics, they indicate that by 1980 the population of Canada will increase by 162.9%, personal disposable income by 266.7%, personal expenditures on food by 251%. They also predict an increase of 122% in the consumption of meats, relatively no change in dairy products, and an average decrease of 10% in the consumption of cereals, flour potatoes and other starches, over the same period.

Farmers individually and collectively have made, and are continuing to make remarkable adjustments to these changes. In their selection of enterprises, more farmers tend to specialize. As specialized knowledge and equipment play a bigger role on the farm, the individual farmer has found it necessary to narrow his area of concentration. Farmers are becomming more efficient in their use of resources. Capital is replacing both labor and land. One and one-half to two men economic units are common, and intensification by fertilizer use and improved cultural practices are increasing production per acre of land.

In the last 25 years, volume of purchased inputs such as feed, fuel, power and machinery has increased by 150%, while non-purchased inputs of labor, horsepower and land have decreased by 50%.

What are the prospective changes in the future for farms in Alberta. There is little doubt that Alberta farms will become larger, fewer and more specialized. At the same time, more capital, less labor, and more total land will be involved in agricultural production. Increased population, incomes and world export markets will at least partially offset increased production. Costs and amounts of farm inputs will rise. Since 1959, the Farm Credit Corporation has provided capable farmers with long-term mortgage loans, to assist them with capital required to help assemble viable farm units that will increase their net income, and give them a better standard of living. The amount disbursed in Alberta during the fiscal year ending March 31st, 1968 was $59,580,000. The total disbursed in Alberta for the past five fiscal years was $255,981,000

THANK YOU

We wish to express our sincere thanks to the many friends and neighbors for their kind expressions of sympathy, cards, flowers and donations received during our recent bereavement in the loss of our dear husband and father. Special thanks to Rev. Dale Mohr for his prayers and visits and to the staff of the 3rd floor W.W. Cross cancer hospital and to the pall bearers.

Mrs. Marie E. Schoepp and family.

I would like to thank the Midget Hockey team for the lovely plaque that I received. Your thoughtfulness is very much appreciated. And to Mr. Haydey for the time that he has spent in training and coaching the team, my special thanks.

Billy Rose.

We wish to thank all of our friends for the farewell party and an extra special thanks to the people who helped to make it such a memorable occasion.

Tim and Muriam Joyce
George and Jeanine Sprague.

We wish to express our most heartfelt thanks to our relatives, friends and neighbors for their expression of sympathy, floral tributes, donations of all types, and acts of kindness received during our bereavement in the loss of our beloved husband, father and grandfather. Special thanks to the pallbearers, the Entwistle Elks and O.O.R.P.

Mrs. L. Bohnet and family.

I would like to express my sincere thanks to the Frank Maddock High School for sponsoring me as Carnival Queen candidate for this year and all the other school students who worked so hard to help me win. Many thanks also to everyone else who helped me to win this memorable and most enjoyable experience.

Thank You Again
Joyce Rendflesh

School Bonspiel

The Frank Maddock High School's 9th annual curling bonspiel was held on the weekend of March 21st, 22nd and 23rd.

A total of 31 rinks were entered in this bonspiel, 11 of them from out of town. First draw was held at 4:00 p.m. on Friday and finals in all events were played Sunday at 10:00 a.m.

A banquet was held on Saturday, March 22nd.

All concerned report a very successful bonspiel and a good time was had by all.

RAMONA NEWS

Belated Happy Birthday to Kathy Karach on March 26th, Mrs. Yurchak March 28th, Donna Benjamin March 30th, Mr. Lorne Woodruff March 31. We hope you all had a very happy day.

The Kmyta family visited the Edmonton Rodeo on Friday. David shook hands with "Candy" (David Canary). On Sunday John Plewis, Dora, Ron, Ken, Allen and Lyle Stewart went in to see the final show. Everyone enjoyed themselves very much.

Congratulations to Grandma Swap and Grandma Kelly. Grandma Swap was a great grandma for the first time on Wednesday, March 26th when Joan Anderson gave birth to a 9 lb. 10 oz. baby boy. This was about the 9th great grandchild for Grandma Kelly, then on Thursday, March 27th Carol Kelly made her a great grandmother again when she gave birth to a 8 lb. 10 oz. girl. Congratulations to Vancel and Beatrice Kelly on their third grandchild.

Happy birthday this week to Janice Hallett and Elvira April 4th, Debbie Swap April 6, and Peggy Lysak April 7.

Our bingo is Tuesday, April 8th. The jackpot is $75. On Thursday, April 10th is Whitby's bingo, the Share-the Wealth jackpot is $200.

Andy and Liz Kmyta and family of Ft. McMurray visited with Andy's folks Mr. and Mrs. Mike Kmyta and family from Sunday to Tuesday this week. I imagine they visited with Liz's family at Magnolia too.

Did you see the pretty blue Acadian parked at Rocky Rapids store last week. The proud owner is Mrs. Dora Stewart.

We also see a white Valiant around driven by Clara Bush.

The Carl Thornton family drove out from Sherwood Park on Friday to attend the Rocky Rapids Supper and Dance with Joan's mother and two brothers, Dora, Ron and Ken Stewart.

Moon Lake News

Prize winners at the whist drive held on March 22nd were: Vi Cherrington and Fred Harrison, High; Jean Cherrington and Ralph Telford, Low; Jean Smith and Fred Harrison took home the travelling prizes. The next whist drive will be held on April 19th.

In the evening on March 24th Mrs. Louise Urkevich was hostess in her home to a very successful "Stanley Party". Eighteen ladies turned out to see Mrs. Blanch Stewart of Edmonton demonstrated the Stanley products. To close the evening Louise served a delicious lunch.

Mr. and Mrs. Norman Johnson and boys motored to Edmonton on Tuesday to attend the Hereford Bull Sale. They met up with some of their neighbors and had a very interesting day but came home without a bull.

Born to Mr. and Mrs. Marvin Dreeves on March 25th at the Royal Alex hospital a daughter, Tracey Lee - 5 lbs. The proud grandparents are Mr. and Mrs. Martin Dreeves and Mrs. Clara Bush of Moon Lake.

On March 29th the Moon Lake 4-H Beef Club members attended the afternoon performance of the Stock Rodeo. The girls came home with autographs from "Candy" -movie star in person. You generally hear of kids getting lost but this time it was different - one of the adults were finally found sitting admiring this "huge Russian combine". Anyway kids and adults had a tremendous time. Many thanks go to the club leader - Norman Johnson for organizing the trip and the adults that took time to supply the transportation.

THANK YOU

Miss M.C. MacKenzie, on behalf of her helpers, Gary Hamilton, Bob Elliott and Bob Barker, wishes to thank all subscribers in the past year to the United Church Observer, a bi-monthly magazine.

Renewal dateline is April 15th and costs $2.00 per year providing 75% of our people subscribe.

Especially do we thank those not attached to any specific church as well as Anglicans, Mormons, Roman Catholics, members of the Church of God, and Jehovah's Witnesses.

There are articles published from various denominations and not necessarily the viewpoint of all. It is a widely read magazine and endeavors to provide material of interest to all and to encourage each reader to be better informed on church and country.

Kindly mail or give your $2.00 to one of the above mentioned, if possible before April 15th. Many have already done so.

Again thank you,

Miss M.C. MacKenzie

WARBURG NEWS

Mr. and Mrs. John Greschuk and family of four and Mrs. Helen Koalschmidt of Edmonton visited Mrs. Mary Lehay and family on Sunday.

Charlene Docker of Lindale spent Sunday visiting with Mona Lehay.

Mr. and Mrs. Odd Rogstad of Camrose spent the weekend with Gordon and Phyllis Schnick and family. Carolyn Schnick accompanied them and spent the weekend visiting her relatives and friends.

There will be a Health Unit Innoculation Clinic from 10:00 to 12:00 noon and 1:00 to 3:00 p.m. on Wednesday, April 9th at Warburg. All adults are urged to attend.

The Warburg Senior boys' and girls' basketball teams motored to Edmonton on Friday for supper and evening out.

If you would like a year-book of Warburg's Junior Senior High activities for 1969, phone Virginia Lehay at 848-2455. Any parents of children grades 1 to 9 may order in this way.

Mrs. Edward Roth returned March 16th from a month's stay with her daughter Mrs. Karen Brown in Gawassen, B.C. Mrs. Brown had a son, Jeremy Blake on February 19th.

Mr. and Mrs. Elmer Dupres and son Wayne are visiting at the home of Mrs. Dupres' mother, Mrs. Mary Numa. They are on their vacation from Savanger, Norway where Elmer Dupres is employed with an oil company.

Visiting at the home of Mr. and Mrs. Walter Brandt and family were Mr. and Mrs. Don Bowman and family of Ponoka, Mr. and Mrs. Emil Neuman and family and Mr. and Mrs. Reynold Bowman of Thorsby. The occasion was a birthday party for Teddie 11, and cousin Doyle who was 5.

The Thorsby Parish Luther League met in the Trinity Lutheran Church in Warburg on Sunday, March 23rd.

Regular Meeting Recreation Board

Minutes of the regular meeting, of the Regional Recreation and Parks Council, held in Stony Plain on March 17th, 1969.

Members Present -- Mrs. Marian Ivan, Mr. D. Gylander, Mr. H. Hennig, Mr. L. Miller, Mr. R. Bailey, Mr. R. Akins and Mr. K. Howery. Staff Present were: Mr. Syd Moore, Mr. Cece Armstrong and Mrs. J. Cross.

Committee Re: Evansburg Application -- Nominations were called for members to form a committee to study Evansburg's application to enter the Recreation Agreement. Mrs. Marian Ivan and Mr. Don Gylander were nominated.

Drayton Valley -- Discussion took place concerning details regarding the possible entry of Drayton Valley into the Agreement. The Council will meet in Drayton Valley on March 18th with their Town Council regarding this matter.

Budget - 1969 -- The proposed budget was presented to the Council for their consideration. Mr. Moore explained each segment of the proposal. The emphasis of the budget was on program, with a good portion of that devoted to leadership development and use. One new proposed program which will be a "pilot project" of Canada Manpower, is a Youth Employment Agency, to be based at the Regional Recreation Administration Centre in Stony Plain, which will endeavor to bring together the unemployed youth, and the prospective employer for the summer months.

The Council recommended a few minor adjustments and indicated their approval of the proposed budget. It will next be presented to each of the local authorities for adjustment and approval, after which it will be returned to the Recreation Council for final approval.

WABAMUN NEWS

Gloria and Brad Raicos motored out from Edmonton to her parent's home, Mr. and Mrs. Ronald Cross, last weekend on a mid-winter holiday for a few days.

Jul Letendre of Edmonton was a recent visitor to Wabamun renewing old acquaintances.

The Calgary Power has been restored on the Syd Letendre acreage.

We are sorry to report that Mr. William S. Stecyk is in the Stony Plain hospital. He has undergone a major operation. We hope that you will be home soon Bill.

There was a library board meeting in the library the other evening and business was attended to and plans were made to sort out some of the books for the Meridian Home and plans were also made for the ladies and a gent or two to go to Edmonton to buy some new books for the library.

We are glad to report that Mr. Ken Finlayson is coming along nicely but slowly at the Barrhead Hospital.

Mr. R.T. Ward and son Dick motored to Rimbey to visit Mr. and Mrs. Larry Burke.

Mrs. F. Anderson and Mrs. D.M. Roberts called at the Meridian Home in Stony Plain last week and visited with Mrs. Jenkinson, Mrs. Gledhill, Mrs. McKinley and Mrs. Clark.

Mrs. R.T. Ward is staying with Dr. and Mrs. Patterson's family while they are having a couple of weeks holidays.

"Now children," the harried mother announced to the noisy small fry at her son's birthday party, "remember there will be a special prize for the boy who goes home first."
